Tube Identification

May 6, 2009

Dear Doctors,

As a requirement of The Joint Commission's new safety program; prior to sample collection, please write patient first initial and last name on each collection tube. Tests received without a name on the tube may be delayed.

Please advise your staff to call and order new labels for your existing kits today.

Thank you for your cooperation.

If you have any questions please contact us at 800-878-3787.

Sincerely,

A handwritten signature in black ink that reads "Christy Stokes".
